## Volunteer Opportunities Abound for Earth Month

Help improve our local environment by volunteering at one of the more than 60 events (yes, 60!) happening in Montgomery County this weekend alone. Earth Month is the perfect time to lend a hand to show your love of our planet. [Find Out What's Happening This Month»](#)

## Demystifying Clean, Green Energy

The closing of Clean Currents has sent a ripple of concern through the community, leading to many questions about the future of green energy. Attend this interactive panel discussion on the evening of April 10th to learn about what happened, and the status of the renewable energy market. [Learn More»](#)

## H2O Summit Photo Album

The H2O Summit was a huge success! Thank you to everyone who participated. If you missed it, or want to see snapshots from the day, check out the DEP Flickr set with more than 100 pictures of the Summit. [View Our Photos»](#)

environmentally friendly soap.

## Meet the County Critters: Spotted Salamanders

The late arrival of winter pushed back the emergence of spotted salamanders. They breed for only a few days at vernal pools and then go back to their underground burrows. [Learn more about these interesting creatures»](#)
