Summer of Safety: Our air quality video

Last month, DEP released a short, educational video on air quality and how to protect yourself on air quality action days. Summer hasn't left us yet, so take a few moments to get in the know! [Watch the video»](#)

Dam Safety 101: Emergency Action Plans & severe weather

With peak hurricane season approaching (September!), now is the best time to learn about dam safety and flood warnings. County agencies utilize Emergency Action Plans and Alert Montgomery to keep people informed and safe. [Read the First of Two Guest Blogs»](#)

Bethesda synagogue tells runoff to hit the road

Adat Shalom, a Jewish congregation in Bethesda, recently installed 2,800 ft. of new conservation landscaping through the County's RainScapes program. [Learn More»](#)

Visit the DEP tents at the County Fair

DEP is excited to once again have tents at the Montgomery County Agricultural Fair! Visit our TWO tents to learn about recycling, Tree Montgomery, RainScapes, energy and more! [Learn More»](#)
