## DEP Relunched Its Website with New Features and Pages!

The Montgomery County Department of Environmental Protection has redesigned its website. The new website features an updated look, improved navigation, more graphics and new content. Check it out and [provide feedback](#) to help make the website even better. [Visit the New Page»](#)

## Share Your Thoughts on County Environmental Bills

This week, Montgomery County Councilmember Roger Berliner (District 1) introduced a package of 13 environmental and clean energy bills. As the Council begins deliberation on the bills, the public will have an opportunity to share their thoughts. Have your voice be heard! [Learn More»](#)

## Test for Radon - It's Easy and Smart!

Did you know that radon is the second leading cause of lung cancer (only behind smoking)? Many people don't know that radon is a public health danger or that it is easy to test for (and prevent). To increase awareness, the County has officially declared January as Radon Action Month. [Learn More»](#)
