Safety Video

As part of the countywide Summer of Safety campaign, DEP developed an informational video that explains how to safely visit and enjoy our local rivers and streams. [Watch»](#)

Six Months at DEP: New Blog from DEP Director Lisa Feldt

Six months flies by quickly. During that time, DEP Director Lisa Feldt listened to, and talked with, a variety of residents, businesses, community partners and County staff. They discussed how DEP functioned, how the public saw their work and where there was room for growth. [What She Learned»](#)

Soaking Up Rainwater in Sligo

Over the past five years, DEP has installed close to 100 stormwater facilities in the Sligo Park Hills neighborhood. Check out this blog from the Friends of Sligo Creek to see how the stormwater facilities have been holding up with the recent rains. [Learn More»](#)

Grasscycle!

Grasscycling simply means recycling grass clippings right in your own yard. Cut grass at regular intervals so that the clippings are short and will easily break down. It's fast, easy and low-cost. [Learn More»](#)
