Green Living

Congrats to the 26 Newest Certified Green Businesses

The Green Business Certification Program has expanded to include businesses certified by Green America, B Lab, Green Seal and the Green Restaurant Association. Twenty-six businesses, including restaurants and cleanings services, are now part of the County program. [Learn More»](#)

The Green Business Program also launched a new website. [Check it out!»](#)

It's Perfect Weather to Hit the Geotrail!

Along with being a beautiful month to be outside, this May also happens to be the 15th birthday of geocaching. To celebrate, take your friends and family on the 'Caching the Rain' Geotrail. You'll learn about water quality issues and have another excuse to head outside. [Learn More»](#)

Green Your Restaurant!

The Montgomery County Department of Economic Development is offering to subsidize restaurants who receive green business certification by covering 50% - up to \$1000 - of the cost of certification. [Download the Flyer»](#)

Recycle your grass clippings right on your front lawn. It's fast, easy and simple. [Learn How»](#)

Laytonsville Home Shines Light on Energy Savings

Changing out lights may not be the flashiest choice for the green-minded homeowner, but the energy savings - not to mention the rebate opportunities - can be glamorous indeed. [Learn More»](#)
