

# Environmental Protection and Common Ownership Community Open House

The Open House is a FREE event specifically for HOA, condo or co-op members to have their environmental questions answered by County Department of Environmental Protection staff.

You'll take away the tools and knowledge to save your community and neighbors time and money.

## Featuring workshops on:

- Stormwater Facility Maintenance
- Recycling + Composting
- Reducing Your Water Quality Protection Charge
- Landscaping Incentives
- COC Board Trainings
- Saving Energy

**Sunday, February 25, 2018**  
**6:30pm - 8:30pm**  
**Silver Spring Civic Building**

Registration required at:
